AWARDED TO:

OCTOBER 20 05

PAUL BEARNE

ACHIEVEMENT

Displaying dedication to work above and beyond what would normally be expected, Paul's contribution to the core-coding and subsequent implementation of the project to merge 4 websites through one database was immense. The expertise demonstrated and his selfless efforts to ensure over 1000 pages of computer code were completed, tested & ready to work is a testament to his determination and monumental ability to overcome adversities that would have caused others to fail.
